JAIL TWO YOUNG  
MEN FOR ALLEGED  
SERIOUS OFFENSE

Mrs. Edith Clifford, of Galice, was the complaining witness upon whose affidavit criminal action was instituted against two young men, described in the complaint as John Doe and Richard Roe, who are charged with having transported, enticed and coerced two 16-year-old girls from their homes to Gold Hill for immoral purposes. The girls named in the complaint as the victims are Naomi Clifford and Erna Hawkins, and for the past week it has been charged that they have been consorting with two young men in the vicinity of Grants Pass. The officers maintain that the quartette has been "hobnobbing" around the country, the girls part of the time dressed in men's clothing, sleeping wherever it happened and eating in true hobo style. Saturday relatives of the girls got word of their presence on Jump-Off-Joe creek, and sent out and had them brought to town. Later the complaint against the young men was made and Constable Randle started out to apprehend them.

Late last night the constable arrested Oscar Powers and Dave Peterson, the young men who are alleged to have been the partners of the girls on their "hobnobbing" experience. The arrest was made on Jump-Off-Joe creek and the men were brought to this city and are now being held in the county jail, their preliminary examination to occur Monday before Justice Holman. They were placed under bonds of \$300 each last night.

by Judge Holman, but being unable to secure bondsmen were remanded to jail.

PRESIDENT MOTORS WITH  
MRS. GALT IN NEW YORK

New York, Oct. 9.—President Wilson and his fiancée left here for the world's series game at Philadelphia at 11 o'clock. After taking breakfast with Colonel House in the latter's apartment, the executive motorcade to the St. Regis hotel to meet Mrs. Norman Galt, his betrothed, and then motored for a time along the fashionable Riverside drive. Many automobiles followed.

Suddenly a gust of wind sent the president's hat whirling away, while the entire auto procession stopped and several persons raced for the honor of returning it. Mrs. Galt, beside him, laughed at him, somewhat to his embarrassment, as he waited for the return of the hat.

She was dressed in a simply tailored black broadcloth suit, with the coat cut long and slightly cut away in front. Her neckpiece was of black fur, and she wore a large corsage bouquet of big purple orchids, the president's gift.
